## VALUE FUND

Class A

Inception Date: May 31, 2000

Ticker: HHGAX

CUSIP: 41012R878

### WHY INVEST IN HANCOCK HORIZON FUNDS?

To prepare for a future that's nearer - and probably more costly - than you think, you need financial power close at hand. The Hancock Horizon Family of Funds may help you bring financial goals from every stage of your future within your grasp - whether you're planning a home improvement project in a few months, a college education for your children in a few years, or your retirement down the road.

### FUND OBJECTIVE

The Fund's investment objective is long-term capital appreciation with a secondary goal of current income. The Fund will attempt to achieve this objective by investing in medium to large cap U.S. common stocks which the Advisor believes to be "undervalued" based on its fundamental research and analysis of various characteristics, including historic and expected earnings and dividends, sales and market position.

### VALUE OF \$10,000 INVESTMENT

Assumes initial investment of \$10,000 occurred on the Fund's inception date.

Performance reflects deduction of maximum sales charge.

### TOTAL RETURN (as of 06/30/2010)

	Current Quarter	Year To Date	One Year	Three Year *	Five Year *	Ten Year *
<b>Class A, without load</b>	-8.66%	-3.44%	12.91%	-11.08%	-0.69%	5.04%
<b>Class A, with load **</b>	-13.46%	-8.49%	7.00%	-12.67%	-1.75%	4.47%
<b>Frank Russell 1000 Value Index</b>	-11.15%	-5.12%	16.92%	-12.32%	-1.64%	2.38%

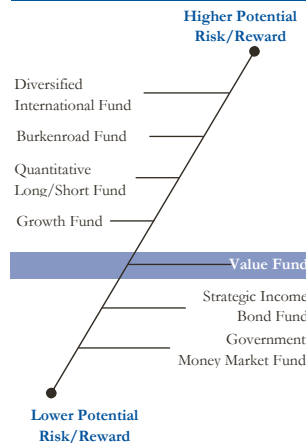

\*Annualized. \*\* Reflects the effect of a 5.25% sales charge.

The total expense ratio is 1.32%.

The performance quoted herein represents past performance. Past performance does not guarantee future results. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost, and current performance may be higher or lower than the performance quoted. For performance data current to the most recent month end, please visit [www.hancockhorizonfunds.com](http://www.hancockhorizonfunds.com).

Fund returns include change in share value and reinvestment of distributions, unless otherwise indicated.

**Hancock Horizon Funds: Not FDIC Insured • No Bank Guarantee • May Lose Value**

A one-month distribution yield is the ratio of actual distributions per share of a mutual fund (on an annualized basis) to the price per share of that fund. In contrast, an SEC yield relates aggregate net earnings of a fund to its aggregate net assets. In any given period a fund may distribute more or less than its actual income.

There are specific risks inherent in investing primarily in small cap companies. Smaller companies typically have a higher risk of failure and historically have experienced a greater degree of volatility. Please read the prospectus carefully to obtain a complete understanding of the risks.

**This information must be preceded or accompanied by a current prospectus for the fund. Read it carefully before you invest or send money. Please see prospectus for more information on charges, expenses, investment objectives, and risk factors along with information regarding other share classes that are offered for purchase.**

Mutual fund investing involves risk, including possible loss of principal. Current and future holdings are subject to risk.

The Frank Russell 1000 Value Index measures the performance of the 1000 largest U.S. companies based on total market capitalization that have lower than average price-to-book ratios and lower forecast values. Index returns do not reflect any management fees, transaction costs, or expenses. It is not possible to invest in an index. For more information, please see current fund prospectus or your financial advisor.

Horizon Advisers serves as investment advisor for the Hancock Horizon Family of Funds. The Hancock Horizon Family of Funds is distributed by SEI Investments Distribution Co., which is not affiliated with Hancock Bank, or any of its affiliates.

**Investments may lose value.** Securities, insurance, & other investment products are offered through Hancock Investment Services, Inc., a registered broker/dealer and wholly owned subsidiary of Hancock Bank, Inc. Member of FINRA, SIPC. The Hancock Horizon Family of Funds are not available in all states.
